PROJECTS
Floor After Floor - Unreal Engine 5
- A first-person shooter in which the player attempts to escape from an abandoned mall.

The Greek Game - Gamemaker
- An education-style 2D game that discusses the reality of who Zeus was, instead of how he is usually idealized.

Return Home - Unity
- A VR nature immersive experience in which the player can explore a forest with multiple visual effects.

The Frog App - QT Creator
- An educational app that teaches the user about frogs and frog conservation using readings and quizzes.
